PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school to spend on improving the quality of physical education and sport for all their children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

Vision – School

The schools vision and is 'Opportunities, Challenge, Ambition and Collaboration. Each of these are reflected in PE lesson and through sporting competitions.

Objectives

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to

- 1) To develop or add to the PE and sport activities that your school already offers
- 2) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

3) Ensure that every child has the opportunity to become more active and develop habits for life.

Key outcome indicators; updated for 2018/19

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

Department for Education guidance on how to use the Primary PE and Sport Premium – will be updated in October 2017 when government will release the grant Terms and Conditions

Schools must use the funding to make **additional and sustainable improvements to the quality of PE and sport they offer**. This means that you should use the premium to:

- ✓ Develop or add to the PE and sport activities that your school already offers
- ✓ Make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- ✓ Hire qualified sports coaches to work with teachers
- ✓ Provide existing staff with training or resources to help them teach PE and sport more effectively
- ✓ Introduce new sports or activities and encourage more pupils to take up sport
- ✓ Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- ✓ Run sport competitions
- ✓ Increase pupils' participation in the School Games
- ✓ Run sports activities with other schools

You should not use your funding to:

- ✓ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- ✓ Teach the minimum requirements of the national curriculum – including those specified for swimming.
