

**Oakley Vale Primary School Sports Premium Spend Financial Year 2016/17**

Action	Cost	2013/14	2014/15 Impact and Sustainability	2015/16	2016/17 (to date)
<b>Corby, Oundle and Thrapston Enhanced Plus Support</b>	£3395		PE specialist works alongside teachers and PE lead to support curriculum development, governance, competitions development and advise on effective, sustainable spending of sports premium. Specialist spends half a day a week in school during term time as well as providing remote support. Access to additional programmes such as pupil leadership development, project ability and specialise teacher CPD		
<b>Corby, Oundle and Thrapston Competition Package</b>	£600		Access to over 30 competitions in different sports.		
<b>Transport costs</b>	£1725		Enabling more pupils to access sport and physical activity and increasing the number of children able to attend swimming sessions, making pool spending more efficient		
<b>Extra Curricular Sports Clubs</b>	£1949.50		Free to access or subsidised extra-curricular sports and physical activity clubs increase the number of children able to attend, including those who would otherwise not be able to access paid clubs. Staff presence allows training opportunities and for clubs to be run by staff where appropriate in future.		
<b>Yoga</b>	£80		Year 6 were provided with two yoga sessions during SATs week. Pupils reported learned techniques helped them to focus and remain calm during their exams, that they had slept better, and had enjoyed the sessions.		
<b>Inter trust sports</b>	£120		Transport and trophies for a series of fixtures against other schools in the trust in different sports. Sport used as an opportunity for pupils and staff from different trust schools to mix, and to create closer links between the schools.
