

# Children's Roles at Oakley Vale

## Head Boy and Head Girl (and Deputies)

They will be great ambassadors for the school and it will be a great opportunity for them. They will support our children to do the right thing and are proud of the connection with the Brooke Weston Trust. They will take on many roles, including meeting and greeting visitors, accepting awards on behalf of the school, being part of the interview process and observing the School Council meetings. They will embrace our four core words – opportunity, challenge, ambition and collaboration throughout the year.

## Standards Committee

The Standards Committee regularly take part in teaching and learning reviews alongside the senior leadership team. Their valuable input is recorded on written feedback and given to the teachers after they have taken part in a meeting to share their opinions on the quality of teaching and learning observed.

## Sports Crew

The Sports Crew takes an active lead in maintaining and encouraging sports participation throughout school. They lead games and competitions to promote active lifestyles for all children through sport and provide positive sporting role models to younger children in school.

## Class Ambassadors

The Class Ambassadors in key stage two take visitors around the school sharing as much information as they can about our learning community. The Class Ambassadors also meet and greet visitors to the classrooms, explaining and providing a valuable context for the learning in that room.

## Lunchtime Buddies

Our Lunchtime Buddies ensure the children are aware of our high expectations during lunchtimes as well as providing support and encouragement of our younger pupils during lunchtimes. They also award a special lunchtime buddy certificate each week in assembly.

## School Council

The School Council take part in important fund raising opportunities to support our local hospice. They also lead learning forums in class regularly to enable them to feedback important information during school council meetings.

## Digital Leaders

The Digital leaders have completed 7 different training course through 'Childnet' to become the schools certified digital leaders. They will promote internet safety by doing different activities throughout the school including questionnaires, assemblies, and leaflets for parents and support within classes.

## Reading Ambassadors

Year 2, 3, 4, 5 and 6 have Reading Ambassadors who meet regularly to plan and run reading initiatives to promote a love of reading in our school.

## Little Ambassadors

The Little Ambassadors lead a termly project across school linked to our outdoor environment, this often includes working with professionals outside of the school for example, our local Mayor.
