

Dear parents/guardians

At Oakley Vale we are committed to ensuring that all children are able to leave primary school with the ability to swim to a good standard. To support this an opportunity has arisen for some children from year 6 to attend school swimming lessons.

The lessons will take place at Corby International Swimming pool on a Friday afternoon and will be delivered by a qualified swimming instructor. There is no charge for this swimming lessons and children will be transported to and from the pool within school time. Children will be back in school for the usual finishing time at the end of the day.

Children need to bring in a swimming costume, towel and swimming cap with them for the Friday session.

If you have any questions regarding school swimming lessons please speak to your child's teacher or Mr Keith.

Kind regards  
Mr Keith  
(PE Coordinator)
