

Dear Parents/Carers,

I am writing to inform you of the arrangements for the Phonics screening check. You will have received information about the screening check whilst your child was in Year 1 but this did not go ahead due to the impact of the COVID 19. This term your child will be given the opportunity to complete the Phonics screening check in line with all children who are currently in Year 2. This is a check provided by the government to determine each child's ability to decode words using their phonics knowledge.

Your child will be sitting the screening check on the W/C 30th November and the results of this will inform how we can meet your child's phonics needs in school. You will have the outcome of this screening, once the statutory Quality assurance has been undertaken and hopefully before Christmas.

If you have any questions about the screening check or phonics after reading this letter then please speak to your child's class teacher or email admin@oakleyvaleprimary.org.

Many Thanks,

Miss Goodman (Phonics lead) & Mrs Johnson (KS1 Assistant Principal)
