Autumn Half Term 2020- Free School Meals

Dear Parents / Carers

Please be aware of the generous offer and organisation from Corby Borough Council and the Autumn Centre.

Corby Borough Council in partnership with The Autumn Centre has organised free meals to be provided to all children that would be entitled to free school meals throughout half term this week.

Following on from the Government's recent announcement that free school meals will be cut during holidays, Corby Borough Council will be funding **lunches that will be available from 11:00am-2:00pm, Monday 26th – Friday 30th October.**

Hot and cold options will be available to children in Corby and its surrounding villages that have been affected by the recent cut. Families entitled to free school meals are welcome to come along to the **Autumn Centre, on Counts Farm Road, any time between 11:00am – 2:00pm** for their youngsters to receive their lunch.

The Borough Council has also organised for a delivery service to be in place for those that can't travel to the Autumn Centre and this can be provided by calling 01536 264671.

Yours sincerely

Emma Goodwin

Principal
