

King of the Cloud Forests – chapter 1

Thursday 21st January

(Listen again to or read chapter 1)

Today we will discuss relationships within the chapter.

Consider how many characters we have met:

Ashley

Ashley's father (Ashley Anderson Snr)

Charlotte Anderson

Uncle Sung

Lin

The Chinese Army doctor

How do all these characters link?

What are the relationships between them? When thinking about relationships we are talking about how they interact with each other and how they communicate with each other as well as whether or not they like each other. We are not talking about Ashley is related to Ashley's mother because she is his mother!

Can you write about how the characters link to each other in the story? We have added a WAGOLL to help.

WAGOLL

The relationship between Ashley's mother and Uncle Sung is warm and respectful. She defends his religion in front of Ashley's father and shows how she values him. Uncle Sung is also respectful towards Charlotte. Although we don't know much about Charlotte, it is obvious she cares about Uncle Sung and is sure to tell Ashley's father that he isn't her servant.
