

Science - Classifying animals

Friday 22nd January 2021

What toy animals do you have in your house?

Collect them together. Can you name them, what a baby is called and a girl and boy?

Name - cat

Baby - kitten

Girl - queen

Boy - tom

Name - sheep

Baby - lamb

Girl - ewe

Boy - ram

How many different ways can you sort your animals?

Take a picture or draw how you sort your animals.

You could sort by colour, size, features (legs, beak), where they live

Challenge: 

What other animals could you add into your groups.

Have a lovely weekend!

We can't wait to see your fantastic work 😊

- Year 1 Team
