

Learning a New Skill

Last week you started learning a new skill. Jigsaw Joe gave you these options:

- Learn the Macarena dance.
- Learn to count in Mandarin from 1 to 10.
- Learn to count in French in 2s from 0 to 20.
- Memorise the poem "The Owl and the Pussy-Cat" by Edward Lear.
- Or create your own mission.

Spend some time today practising your skill and then think about the following questions. You can write them down if you want to.

Did you achieve your goal?

Did you stick to your ladder from last week and follow each step?

If you have achieved it, how do you feel? If you haven't, how do you feel?

Will you keep practising?

What will your new goal be?
