Spellings and Phonics

Everyday, Ruth Miskin releases a daily phonics session – choose set 2 sounds and if your child is confident with these set 3.

or copy and paste it from the link list

Learn the alphabet – letter names

<https://www.youtube.com/watch?v=XC6wQQHo8uU>

Can you now begin to use the letter names when you write your spellings?

Key Text:

Katie in London by James Mayhew

<https://www.youtube.com/watch?v=lmrNxc9lbb4>

Monday – read the story then make a list of all the landmarks Katie visits. Remember names of people and places need a C (capital letter).

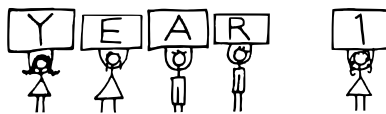

Tuesday – can you remember all the landmarks Katie visited? Use your list to check!
Re-read the story. Choose 3 of the landmarks, what questions do you think Katie asked the Lion about the landmarks? Remember to use C, finger spaces and a question mark.

Wednesday – Friday – you are going to find answers to your questions about the landmarks you choose. Please share any interesting facts you find out with us! Then you are going to write a report sharing all the facts you have found out about each landmark.

Comprehension – We have included two comprehension activities just in case you run out of things to do!

Reading for pleasure – In Monday's file there is a reading record sheet for you to show us what you have been reading at home for pleasure. Please let us know why you love the books and why others might like them – who knows we may share your recommendations with everyone!

My Map Book — Sara Fanelli

Create a range of maps.

Map of my snack – each day eat a snack in a different place. Put on your map, what you ate, where you ate it and how it made you feel. Please share this with us on Friday.

Map of my Class (or your current learning space).

Map of the school – showing the school's landmarks – can you use a key and explain why each landmark is an important place in our school? Further support is available on the school website go to Home Learning and then Year 1.

PE with Joe 9am Monday / Wednesday and Friday

<https://www.youtube.com/watch?v=lSi2ixli80>

Maths

Place Value - Numbers to 20

Counting

Challenge

Can you count to 50 forwards and backwards?

Can you count on or back from any number?
Can you count in 2s to 40? (forwards and back!)
Practise your number bonds to 10

Maths Learning

There is a flashback 4 for every day
(You will find the answers in the resources folder)

This week we will be making comparisons and ordering before beginning addition!

Science

This week you will need to build on your classifying from last week.

Choose some animals to investigate and find facts about them including their size. Make comparisons between the animals size and you using < and > to show how you have ordered them.
