

## Daily Weather

Monday morning's full of rain,  
Tuesday comes, it's rain again.  
Wednesday there is just drizzle,

Thursday's weather starts to sizzle.  
Friday is now hot, hot, hot!  
Saturday, finds a shady spot.

But when Sunday comes we can go and play  
on the beach, in the waves, and stay all day.

Read the poem, what words are new / don't you understand—  
underline them and discuss the meanings.

Do you also know the rhyme 'Monday's child is fair of face'?  
This rhyme follows a similar structure. You could ask your child  
to perform the poem. When your child is confident with the  
poem have a go at the questions.
