

		Monday	Tuesday	Wednesday	Thursday	Friday
	Phonics	Click this link: https://www.youtube.com/channel/UCo7pbLgY2oA_cFCIg9GdxtQ and follow the daily Ruth Miskin session. Additionally, we would like you to continue to read. Spend each morning reading a page or chapter of your book and talking about it with your grown up. Are there any other books you've read that are similar?				
	GPS	Having a Giraffe	Paws For Effect	Safari Statements	Space Camp	Water Raider
	English	This week in English we are going to write two more paragraphs for you non-chron about Kenya and edit them.				
		We have attached some information we found on the internet about Nairobi. Highlight or take notes on things you will use tomorrow in your paragraph all about Nairobi. You can do your own internet research too.	Today you are going to write your own paragraph about Nairobi for you non-chron on Kenya. We have included an example for you to look at and get ideas from. Write freely and on Friday we will edit. When you have finished read your work out loud.	We have attached some information we found on the internet about Wangari Maathai. Highlight or take notes on things you will use tomorrow in your paragraph about her. You can do your own research too.	Today you are going to write your own paragraph about Wangari Maathai. We have included an example for you to look at and get ideas from. Write freely and on Friday we will edit. When you have finished read your work out loud.	Today you are going to edit the two paragraphs you have worked on this week. Identify any spelling, grammar or punctuation errors and edit them. Then go through and see if you can add any interesting vocabulary. Please send this to ovpsyear2@oakleyvaleprimary.org

		Today we are going to warm our division brains up using 12 objects. Can you put them into equal groups of 2, 3, 4, 5 and 6? Which one is the odd one out? Send us a picture of how you have done this ovpsyear2@oakleyvaleprimary.org https://vimeo.com/492604113	Today is all about your 2x tables when dividing. Gather 6 items in your house and share these equally into two groups. Can you write this as a division sentence? https://vimeo.com/498260506	We know how fabulous you are at your 10x tables! We want you to practice counting in 10s all the way to 120 on your own. If you know what $4 \times 10 = 40$, can you work out what $40 \div 10 = ?$ https://vimeo.com/498262386	Today we would like you to write down the numbers 1 – 20 in your best handwriting and circle all of the odd numbers. What do you notice about the even numbers? Can you tell us in a sentence? https://vimeo.com/498261586	Can you use your grouping method to work out the below division calculations? $20 \div 5 =$ $15 \div 5 =$ $45 \div 5 =$ $5 \div 5 =$ https://vimeo.com/498262138

	Hand Writing	Each day practice your animal poses and warm up by writing the alphabet (lower and uppercase) and the sentence; 'The quick, brown fox jumps over the lazy dog.' Focus on the word family from this clip: https://www.youtube.com/watch?v=tCNoHGoH_Sc write each of the letters into words. Can you make a sentence using your words?				
	Break					
	Spelling	The 'j' sound badge judge bridge hedge ledge dodge Monday Tuesday Wednesday Thursday				*The 'j' sound is spelt with -dge when it follows a short vowel sound.* Spelling Test
	Curriculum	RE – For the next two weeks we are going to be learning about a different Holy Book. This book is special for Muslims. We will be reading a new story called The Crying Camel. Read the attached sheet to help you with today's lesson.	PSHE – This week is Children's Mental Health Week. We have attached a lesson for you to work through together. The lesson is about understanding emotions. Ensure your child knows that all emotions are valid and you are allowed to feel them all.	PSHE – We want you to develop the mindfulness techniques we learn in class. Mindfulness is being present in the moment. A great way of achieving this is focussing on a task that requires your full attention. Have a look at the ideas we have suggested to help you focus.	LJ – We would like you to write down things that are the same and different about Nairobi and Corby. You may also enjoy watching this video https://www.youtube.com/watch?v=OH-KqZ8MasQ We would like to see your work at ovpsyear2@oakleyvaleprimary.org	Science – World Habitats Today we are learning about the ocean, the Arctic, rainforests and deserts. We would like you to pick one of these habitats and create a poster or leaflet all about it. Be as creative as you like!

Additional Information

Every week we will be setting an activity on the #OVPSwellbeingboost You can find this here <https://www.oakleyvaleprimary.org/attachments/download.asp?file=1520&type=pdf>
We will be collating all the images together and posting them on Twitter. If you want to take part in this challenge then email your picture to ovpsyear2@oakleyvaleprimary.org by Friday or you can post them on Twitter @OakleyValePri using the hashtag #OVPSwellbeingboost. This week we would like you to complete **#16 Tidy your bedroom**.

Lots of you have been practising your gratitude. Each day at the end of your learning time write down one thing that you are grateful for. We don't need to see this but it is a healthy habit that will encourage you to appreciate things more and set you with a positive attitude.

We will also be introducing you to three new words to learn each week. You can learn how to spell them, learn what they mean, or even draw a picture for each word!

Gratitude - the quality of being thankful.

Conservation – the protection of things found in nature.

Considerate – showing care for others.
