

Wednesday 10th February

Looking closely

Lots of William Morris wallpaper designs use repeated patterns involving flora and fauna.

*Looking closely at things helps us to improve our drawing.

*Look at these leaves and photographs – think about colour, shape, size, pattern, texture... (everything!)

- Talk about what you notice.

Task: Sketch some examples.

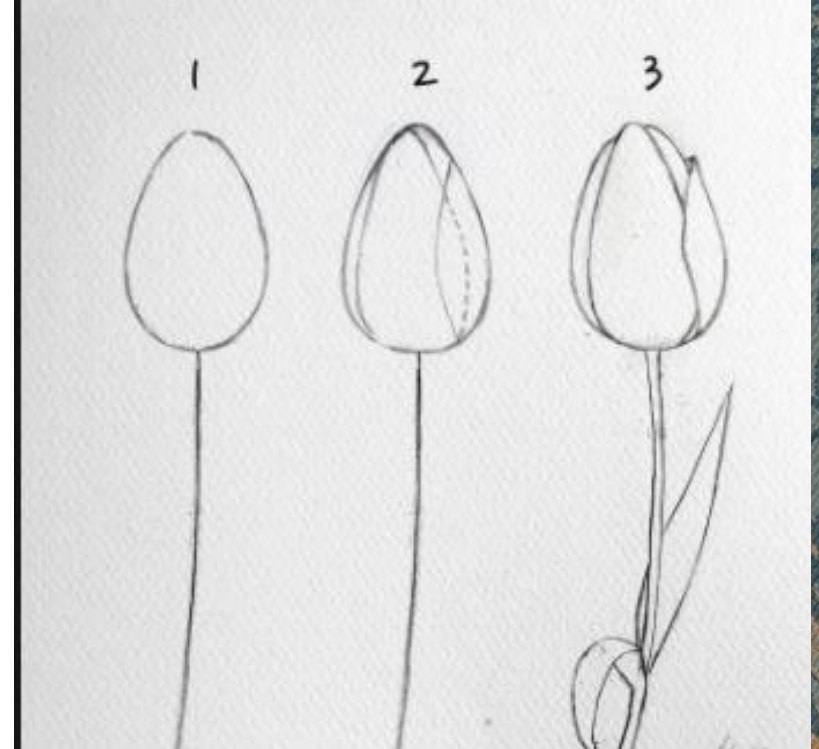

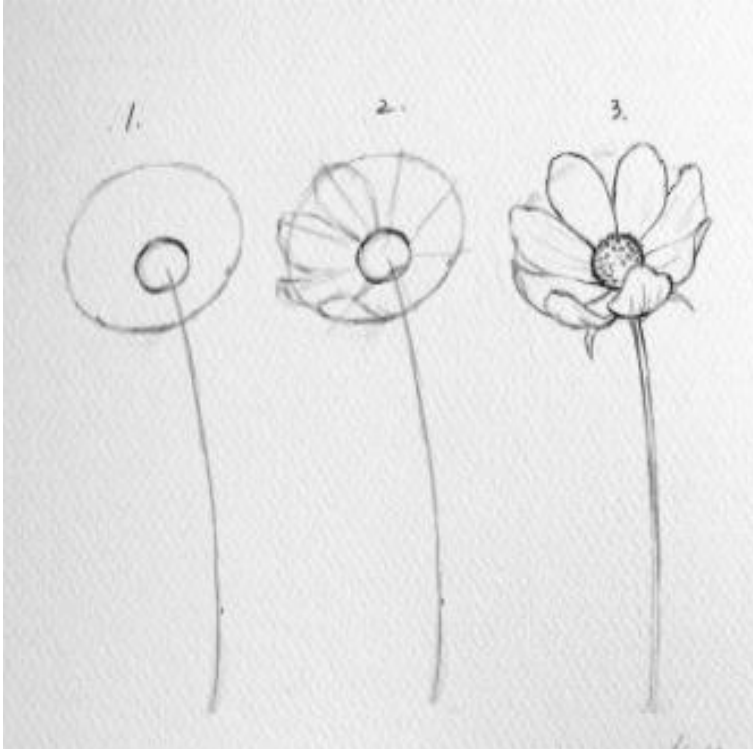

Top Tips:

- Remember to look closely.
- Draw light lines at first.
- Darken when you're happy with the shapes/patterns etc.

How to draw a flower

Top Tips:

1. Use light lines.
2. Add some detail.
3. Add more detail and darken the lines.

Task: Draw some flowers.
