

## King of the Cloud Forests

### Character description

Ashley's story is the main theme of the novel. It is about a young boy born and brought up in a mission, forced to leave his home due to war and his amazing time spent living among the yetis. He is now home in England, among a family he doesn't really know.

Can you write a short piece (two paragraphs) of how Ashley has changed.  
Use these questions to structure your writing (they aren't meant to be answered individually)

What has happened to him?

Has he changed?

How did living among the yeti affect him?

What is he like now he is in England.

How has his new life impacted him?
