English	<p>Next week is International Woman's day. We are going to write a biography for Wangari Maathai to inform others of the significant role she had on woman all over the world. Read our example biography. There is a lot of information to take in but don't worry, we will write ours step by step. Today is about reading and understanding what a biography looks like and sounds like.</p>	<p>Today we would like you to annotate the features of the biography. Look out for: Title, subheading, facts, dates. Also consider:</p> <ul style="list-style-type: none"> - What tense is it written in (Past or present)? - Is it written in order of events (chronological order)? <p>There are lots of high-level vocabulary. Find out the meanings of the words and make a list of the ones you want to magpie for your own writing.</p>	<p>Today we are going to plan our biography and bullet point what we want to include – you don't need to write in full sentences. We have given you 5 headings (you can edit these but don't alter the context of the paragraph). We will be writing the paragraphs step by step over the next few weeks. Use our template as a guide and refer back to the biography to help you with specific dates and events.</p> 	<p>Today we are going to make our first mark for our biography. We are going to give our biography a title and write an opening paragraph which summarises who Wangari is and make them want to read more about her. Don't forget to include when she won the Nobel Peace Prize - this is what she is most known for. Use the example to help you. We challenge you to magpie the words: determination, environmentalist, empowered.</p>	<p>Today we would like you to edit your opening paragraph. Read it aloud to check it makes sense. With a different coloured pen or pencil, underline any errors you have made before correcting them. You may have missed commas, capital letters or full stops. Correct spellings and then read it aloud again. Did you include the three words from yesterday? Could you add in more powerful vocabulary? What about this week's 3 words?</p>
Break					
Starter	https://uk.ixl.com/math/year-2/flip-turn-and-slide	https://uk.ixl.com/math/year-2/symmetry	https://uk.ixl.com/math/year-2/name-the-two-dimensional-shape	https://uk.ixl.com/math/year-2/make-a-pattern	https://uk.ixl.com/math/year-2/identify-faces-of-three-dimensional-shapes

Maths	<p>Today we are looking at lines of symmetry on different shapes. Pick a shape on your 2D shape mat and see if it is symmetrical. How would you know if it is symmetrical? If you have a small mirror at home, you could use that to help you.</p> <p>https://vimeo.com/508430942</p>	<p>Are the below shapes symmetrical? Draw them on a plain bit of paper and find out:</p> <ul style="list-style-type: none"> - Circle - Triangle - Hexagon <p>Can you find a shape that isn't symmetrical?</p> <p>https://vimeo.com/508432389</p>	<p>What a fabulous week you are having! Today is all about your 2D shapes. We would like you to work through your booklet and see if you can identify the different 2D shapes? Be careful, some are tricky!</p> <p>https://vimeo.com/508433384</p>	<p>Today is all about different patterns we can make with our shapes. Using different items at home, can you make a pattern? We can't wait to see how creative you are.</p> <p>Top tip, you could use 2 different types of cereal.</p> <p>https://vimeo.com/508434253</p> 	<p>We miss seeing your smiley Friday faces in school! We want you to start looking at the different faces on our 3D shapes. Do you think a cube will have the same number of faces as a pyramid? Then work through your booklet to see if you can match the different shapes and faces. Have fun!</p> <p>https://vimeo.com/508435282</p>
Break					
Curriculum	<p>RE – Over the next few weeks we are going to be learning about Easter and the events which lead up to it. We are going to start with Lent, a story about Jesus which can be found in the bible. Listen to the story and think about what you would give up. Use the worksheet to help you.</p>	<p>PSHE – Today in PSHE we would like to talk about relaxation. Ask the people in your house what they like to do to relax. Why do they like to relax? Look at the images and put them in order of 'least relaxed' and 'most relaxed'. There is no right or wrong answer. Watch the link to help you relax.</p> <p>https://www.youtube.com/watch?v=Bk_qU7l-pcU</p>	<p>Art – Today we are going to introduce 'Zentangle' art. A technique using structured line patterns. Watch the links to practice and tomorrow we will create a picture using what we have learnt. Be creative and add colour!</p> <p>https://www.youtube.com/watch?v=XMIQTMHdP_k</p> <p>https://www.youtube.com/watch?v=qBwHUKHUdD8</p>	<p>Art – Look at the attached photos of Wangari Maathai and the pictures from one of her story books. Use the Zentangle method to create an image for Wangari Maathai to honour her next week for International Woman's Day. This video may help</p> <p>https://www.youtube.com/watch?v=Inwj6yIK-IM</p> 	<p>Science – We are going to start learning about plants! There are two worksheets (if you can't print these then you can draw them!) and cut them into the four parts. Whilst watching the presentation you will be tasked to put these pack together and label them. Once you have read the presentation we would like you to draw and label a plant from your garden or local area.</p>
Reading	<p>This week we are going to be reading a new book. Find a Powerpoint to the reading in the Additional Resources folder and everyday there will be a PowerPoint where you can listen and read along.</p>				

Additional Information

Every week we will be setting an activity on the #OVPSwellbeingboost You can find this here <https://www.oakleyvaleprimary.org/attachments/download.asp?file=1520&type=pdf>

We will be collating all the images together and posting them on Twitter. If you want to take part in this challenge then email your picture to ovpsyear2@oakleyvaleprimary.org by Friday or you can post them on Twitter @OakleyValePri using the hashtag #OVPSwellbeingboost. This week we would like you to complete **#14 Read a story**

Here are your three words this for this week. Can you use them in your writing? Can you create an illustration for each one?

Optimistic – hopeful and confident about the future.

Humanitarian – a person who works to improve the lives of others.

Influential – to bring about change in another.
